### **W.H.O. Foundation Awards \$20,000 Volunteer Service Grant to Molly's House**

Stuart, FL — Molly's House, a local non-profit organization that provides temporary housing for patients and their families who are receiving medical care on the Treasure Coast, has been awarded a Volunteer Service Grant in the amount of \$20,000 from W.H.O. (Women Helping Others) Foundation.

A check presentation will take place at a private Tea Party Reception for donors like BeautiControl Executive Director, Penny Cummings, on September 23, 2011.

According to Penny, "This is an amazing and humbling feeling that really touched our heart at a core level to know that we get to make a difference for our local community. Lives that will come through Molly's House for years to come will be touched because of our association with BeautiControl, and W.H.O. Foundation."

~~She continued,~~ "Molly's House Executive Director, Louise Murtaugh, believes that the 14-bedroom Victorian house is a very special place that feels like home. She added, "When you are here at Molly's House you have a sense of serenity, a sense of being safe and cared for, a sense that others care about what you are going through."

Molly was a very special girl who thought of others and that is what Molly's House does for all who stay with us. The W.H.O. grant is one of the largest we've received in recent years. It will help us replace flooring and update rooms, just in time for our 15<sup>th</sup> Anniversary Celebration. It will also help support our "Adopt-a-Family" program that helps families who are unable to make a donation toward their room nights. What a great gift!"

The W.H.O. Volunteer Service Grant was established as a way to recognize those BeautiControl Independent Consultants for outstanding volunteer service in their

community. Only BeautiControl Consultants may apply for this award, allowing them to give back to the community in which she works and lives.

“We are ever grateful for the generosity and support of our Independent Consultants. It is because of them that we are able to change so many lives,” says W.H.O. Foundation Executive Director Cindy Turek. “As the number of BeautiControl Independent Consultants and associates grows and support our vision, we will be able to help so many more organizations and change so many more lives!”
